BALONNE

Bringing degrees closer to regional, rural and remote Australians

About CUC Balonne

CUC Balonne will be established in St George and Dirranbandi and will provide dedicated study and learning spaces. Any student studying any degree through an Australian university is welcome to register with CUC Balonne for **free** access to high-speed Internet, modern technology, and general academic support. Students also have the opportunity to build a network of like-minded fellow students and can take advantage of being part of a nation-wide learning community. CUC Balonne is supported by the Balonne Shire Council.

How can we support you?

We know that you need the flexibility to ensure that you can balance your life-work-study needs and commitments. As a CUC Balonne student, you will have swipe card access to the Centre 7am-midnight, seven days a week. Your Centre Manager will be available 8:30am-5pm Monday to Friday to assist you with any issues you are experiencing, or if you just need to have a chat about your studies.

About the Country Universities Centre

Regional, rural and remote communities deserve quality opportunities to pursue their dreams without the need to relocate. Our mission is to provide regional people with the space and tools they need to create a vibrant and more prosperous future for themselves and their wider community.

Head to www.cuc.edu.au for more information about operational Centres.
