# Management and Operations of St George Pool

## BSC 20/21-T18

Council is seeking a suitably qualified and experienced contractor to manage and operate the St George Pool, including the thermal pool and splashpad. The successful tenderer will demonstrate an ability to meet industry best practice relating to the operation and management of commercial aquatic facilities in an area that relies heavily on its local population augmented by strong tourism numbers during the season.

To access the documents suppliers are to register and complete the documents online at <https://www.vendorpanel.com.au/marketplace.aspx>

Suppliers will need to register under the Sports, Recreation Equipment and Services Or Travel & Tourism category with one of the following sub-categories – Sports & Recreation Centre Management Services or Tour Operation & Management.

For further information contact Council's Procurement Coordinator, Mrs Kelly Fontaine on 07 46208 888.

**This request closes at 2:00pm on Monday 7<sup>th</sup> June, 2021 (AEST).**
