ATTACHMENT 1 – ASSESSMENT MANAGER CONDITIONS OF APPROVAL (BALONNE SHIRE COUNCIL)

CONDITIONS OF APPROVAL

Use

1. The approved development is for a Material Change of Use for a “Dwelling House” (Domestic Outbuilding) as defined in the Planning Scheme and as shown on the approved plans and documents.
2. The approved use of the Domestic Outbuilding is for residential storage only. Parking or storage of vehicles or equipment associated with a commercial or industrial activity is not an approved use.
3. The approved Domestic Outbuilding is non-habitable building and must not be used for residential occupation.
4. The total floor area, including mezzanine areas, must not exceed 420m².

Approved plans and documents

5. The approved development is to be carried out in accordance with the following approved plans/documents and subject to the approval conditions. Where there is any conflict between the approval conditions and the details shown on the approved plans, the approval conditions prevail.

Drawing Number:	Title	Date:
Plan 01	Site Plan – 10-14 Dyball Street	n.d.
J5696-Salmon:Floor Plan	Floor Plan	16/06/2026
J5696-Salmon:Elevation	Front & Back Elevations	16/06/2026
J5696-Salmon:Elevation	Left & Right Elevations	16/06/2026

Compliance inspection

6. All conditions relating to the establishment of the approved development must be fulfilled prior to the commencement of use, unless noted in these conditions or otherwise permitted by Council.

Development works

7. During construction of the development, the developer shall ensure that all works are carried out by appropriately qualified persons and the developer and the persons carrying out and supervising the work shall be responsible for all aspects of the works, including public and worker safety, and shall ensure adequate barricades, signage and other warning devices are always in place.
8. The developer is responsible for locating and protecting any Council and public utility services, infrastructure and assets that may be impacted on during construction of the development. Any damage to existing infrastructure (kerb, road pavement, existing underground assets, etc.) that is attributable to the progress of works on the site or vehicles associated with the development

of the site shall be immediately rectified in accordance with the asset owners' requirements and specifications and to the satisfaction of the asset owners' representative(s).

Applicable Standards

9. All works must comply with:
 - a) the development approval conditions;
 - b) any relevant provisions in the Planning Scheme;
 - c) any relevant standards, drawings or specifications by the Institute of Public Works Engineering Australasia Queensland Division;
 - d) any relevant Australian Standard that applies to that type of work; and
 - e) any alternative specifications that Council has agreed to in writing and which the developer must ensure do not conflict with any requirements imposed by any applicable laws and standards.

Site maintenance

10. The area and its surrounds must be kept in an orderly fashion. The approved development and the premises are to be maintained in a clean and tidy condition and not to pose any health and safety risks to the community.
11. Adequate refuse storage areas and facilities must be provided on the site to service the approved development.
12. All lighting shall be directed or shielded so as to ensure that no glare directly affects nearby properties.

Construction Activities

13. If there is a possibility of erosion occurring during the development process or after the development is completed, the developer must implement a suitable management plan.
14. The developer shall immediately clean up and satisfactorily remove any deposited construction material or silt runoff from the development site.

Stormwater and drainage

15. Stormwater from the building is to be collected and discharged so as to:
 - a) protect the stability of buildings and the use of adjacent land;
 - b) prevent waterlogging of nearby land;
 - c) protect and maintain environmental values; and
 - d) maintain access to reticulated infrastructure for maintenance and replacement purposes.
16. The development must not result in any ponding of stormwater on the property during construction or after the development has been completed.

Erosion control

17. Erosion control and silt collection measures must be undertaken as necessary during construction to maintain the quality of stormwater runoff from the development site and prevent any environmental harm.

Access, internal access roads, parking and manoeuvring

18. The developer shall be responsible for construction and maintenance of vehicle crossovers from the Dyball Street carriageway to the property boundary and for obtaining any approvals that may be required, and for complying with the applicable designs and standards. Should any damage be caused at the approved access location, it is the landowner's responsibility to ensure this is reinstated. Any repair works are to be undertaken in consultation with Council and at the landowner's expense.
19. Unless otherwise approved in writing by Council, no access is permitted to Arthur Street.

No cost to Council

20. The developer is responsible for meeting all costs associated with the approved development unless there is specific agreement by other parties, including the Council, to meeting those costs. This includes the costs of any services and infrastructure required in connection with the establishment of the development, survey, registration, document lodgement, easement documentation preparation and plan sealing.

Latest versions

21. Where another condition refers to a specific published standard, manual or guideline, including specifications, drawings, provisions, and criteria within those documents, that condition shall be deemed as referring to the latest versions of those publications that are publicly available at the commencement of the development works, unless a regulation or law requires otherwise.

Application documentation

22. It is the developer's responsibility to ensure that all entities associated with this Development Approval have a legible copy of the Decision Notice, Approved Plans and Approved Documents bearing 'Council Approval'.

GENERAL ADVICE

- a. Refer to <https://www.balonne.qld.gov.au/council/publications/policies-plansstrategies> for Council Policies.
- b. The relevant planning scheme for this development is Balonne Shire Planning Scheme 2024. All references to the 'Planning Scheme' and 'Planning Scheme Schedules' within these conditions refer to the above Planning Scheme.
- c. The Institute of Public Works Engineering Australasia Queensland Division is the applicable engineering design guideline for Balonne Shire Council.
- d. The land use rating category may change upon commencement of any new approved use on the site. Council's current Revenue Statement, which includes the minimum general rate levy for the approved use/s, can be viewed on the Council Website: www.balonne.qld.gov.au.
- e. The Environmental Protection Act 1994 states that a person must not carry out any activity that causes, or is likely to cause, environmental harm unless the person takes all reasonable and practicable measures to prevent or minimise the harm. Environmental harm includes environmental nuisance. In this regard, persons and entities involved in the operation of the approved development are to adhere to their 'general environmental duty' to minimise the risk of causing environmental harm to adjoining premises.
- f. All Aboriginal Cultural Heritage in Queensland is protected under the Aboriginal Cultural Heritage Act 2003 and penalty provisions apply for any unauthorised harm. Under the legislation a person carrying out an activity must take all reasonable and practicable measures to ensure the activity does not harm Aboriginal Cultural Heritage. This applies whether or not such places are recorded in an official register and whether or not they are located in, on or under private land. The developer is responsible for implementing reasonable and practical measures to ensure the Cultural Heritage Duty of Care Guidelines are met and for obtaining any clearances required from the responsible entity.
- g. It is the responsibility of the developer to obtain all necessary permits and submit all necessary plans and policies to the relevant authorities for the approved use.
- h. In completing an assessment of the proposed development, Council has relied on the information submitted in support of the development application as true and correct. Any change to the approved plans and documents may require a new or changed development approval. It is recommended to contact Council for advice in the event of any potential change in circumstances

ATTACHMENT 2 - PLANNING ACT EXTRACT APPEAL RIGHTS

Chapter 6 Dispute resolution Part 1 Appeal rights

228 Appeals to tribunal or P&E Court

(1) Schedule 1 states—

- (a) matters that may be appealed to—
 - (i) either a tribunal or the P&E Court; or
 - (ii) only a tribunal; or
 - (iii) only the P&E Court; and
- (b) the person—
 - (i) who may appeal a matter (the **appellant**); and
 - (ii) who is a respondent in an appeal of the matter; and
 - (iii) who is a co-respondent in an appeal of the matter; and
 - (iv) who may elect to be a co-respondent in an appeal of the matter.

(2) An appellant may start an appeal within the appeal period.

(3) The **appeal period** is—

- (a) for an appeal by a building advisory agency—10 business days after a decision notice for the decision is given to the agency; or
- (b) for an appeal against a deemed refusal—at any time after the deemed refusal happens; or
- (c) for an appeal against a decision of the Minister, under chapter 7, part 4, to register premises or to renew the registration of premises—20 business days after a notice is published under section 269(3)(a) or (4); or
- (d) for an appeal against an infrastructure charges notice—20 business days after the infrastructure charges notice is given to the person; or
- (e) for an appeal about a deemed approval of a development application for which a decision notice has not been given—30 business days after the applicant gives the deemed approval notice to the assessment manager; or
- (f) for any other appeal—20 business days after a notice of the decision for the matter, including an enforcement notice, is given to the person.

Note—

See the P&E Court Act for the court's power to extend the appeal period.

(4) Each respondent and co-respondent for an appeal may be heard in the appeal.

(5) If an appeal is only about a referral agency's response, the assessment manager may apply to the tribunal or P&E Court to withdraw from the appeal.

(6) To remove any doubt, it is declared that an appeal against an infrastructure charges notice must not be about—

- (a) the adopted charge itself; or
- (b) for a decision about an offset or refund—
 - (i) the establishment cost of trunk infrastructure identified in a LGIP; or

- (ii) the cost of infrastructure decided using the method included in the local government's charges resolution.

229 Notice of appeal

- (1) An appellant starts an appeal by lodging, with the registrar of the tribunal or P&E Court, a notice of appeal that—
 - (a) is in the approved form; and
 - (b) succinctly states the grounds of the appeal.
- (2) The notice of appeal must be accompanied by the required fee.
- (3) The appellant or, for an appeal to a tribunal, the registrar must, within the service period, give a copy of the notice of appeal to—
 - (a) the respondent for the appeal; and
 - (b) each co-respondent for the appeal; and
 - (c) for an appeal about a development application under
 - (d) schedule 1, table 1, item 1—each principal submitter for
 - (e) the development application; and
 - (f) for an appeal about a change application under
 - (g) schedule 1, table 1, item 2—each principal submitter for
 - (h) the change application; and
 - (i) each person who may elect to become a co-respondent
 - (j) for the appeal, other than an eligible submitter who is not a principal submitter in an appeal under paragraph (c) or (d); and
 - (k) for an appeal to the P&E Court—the chief executive; and
 - (l) for an appeal to a tribunal under another Act—any other person who the registrar considers appropriate.
- (4) The **service period** is—
 - (a) if a submitter or advice agency started the appeal in the P&E Court—2 business days after the appeal is started; or
 - (b) otherwise—10 business days after the appeal is started.
- (5) A notice of appeal given to a person who may elect to be a co-respondent must state the effect of subsection (6).
- (6) A person elects to be a co-respondent by filing a notice of election, in the approved form, within 10 business days after the notice of appeal is given to the person.

230 Other appeals

- (1) Subject to this chapter, schedule 1 and the P&E Court Act, unless the Supreme Court decides a decision or other matter under this Act is affected by jurisdictional error, the decision or matter is non-appealable.
- (2) The Judicial Review Act 1991, part 5 applies to the decision or matter to the extent it is affected by jurisdictional error.

(3) A person who, but for subsection (1) could have made an application under the Judicial Review Act 1991 in relation to the decision or matter, may apply under part 4 of that Act for a statement of reasons in relation to the decision or matter.

(4) In this section—

decision includes—

- (a) conduct engaged in for the purpose of making a decision; and
- (b) other conduct that relates to the making of a decision; and
- (c) the making of a decision or the failure to make a decision; and
- (d) a purported decision; and
- (e) a deemed refusal.

non-appealable, for a decision or matter, means the decision or matter—

- (a) is final and conclusive; and
- (b) may not be challenged, appealed against, reviewed, quashed, set aside or called into question in any other way under the Judicial Review Act 1991 or otherwise, whether by the Supreme Court, another court, a tribunal or another entity; and
- (c) is not subject to any declaratory, injunctive or other order of the Supreme Court, another court, a tribunal or another entity on any ground.

231 Rules of the P&E Court

- (1) A person who is appealing to the P&E Court must comply with the rules of the court that apply to the appeal.
- (2) However, the P&E Court may hear and decide an appeal even if the person has not complied with rules of the P&E Court.

ATTACHMENT 3 — STATEMENT OF REASONS

The following information is provided in accordance with section 63 of the *Planning Act 2016*.

Description of development	Material Change of Use – “Dwelling House” (Domestic Outbuilding)
Assessment benchmarks	The assessment manager has assessed the application against the following— • Balonne Shire Planning Scheme 2024 ○ Part 6.2.2 General Residential Zone Code ○ Part 7.3.1 General Development Code
Relevant matters	There are no relevant matters for a Code Assessable development application.
Matters raised in submissions	The application was not subject to Impact Assessment.
Reasons for the decision	At the Ordinary Meeting on 16 July 2026, Council resolved to approve the development subject to conditions and for reasons including: • The site is not mapped as containing areas of ecological significance. • The proposed development maintains a safe and efficient layout and has suitable access to Dyball Street. • The site will be serviced by reticulated water, electricity and telecommunications infrastructure. No reticulated sewerage infrastructure is available in the locality.
